

TowerCo BU

To our stakeholders

Montrouge, March the 18th 2020

We recognize that a key requirement to participate in the UN Global Compact is the annual preparation and releasing of a Communication on Progress (COP) that includes a CEO statement of continued support for the UN Global Compact, a description of practical actions regarding the implementation of the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our teams are currently fully mobilized to face the COVID-19 outbreak and implement new work organization. As a result, we hereby ask for an extension period to release our COP report 2020. We will be able to upload it to the UN Global Compact website in maximum 90 days at the latest, from our COP deadline, which was April the 4th.

Sincerely yours,

Romain CHEMET
