To our Stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions in regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have prepared a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact and the report is in its final stages of review.

Our inaugural COP report will be posted on the UN Global Compact website by 29 May 2020 at the latest.

Sincerely yours,

Ms Yeoh El Lynn, Head of Ethics
