Youngone Corporation

April 1, 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the relentless efforts in the past two to three months in monitoring, preparing and managing our global operations in relation to the COVID-19 outbreak and its effects.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our COP report will be posted on the UN Global Compact website by July 07, 2020 at the latest.

Sincerely yours,

Ms. Rae Eun Sung
President
