To our stakeholders

UN Global Compact

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (**COP**), comprising a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are approaching our filing deadline of 12 April 2020 and envisage a likely delay in finalising our COP report due to the current and ongoing COVID-19 pandemic.

We hereby ask for an extension period in order to be able to post a COP that most accurately describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 11 July 2020 at the latest.

Sincerely
