

GRACE LETTER

Abril 6, 2020

From: Silvia Caironi
President Director - *Aventura de Construir* Association

We recognize that a key requirement for participate in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE), which includes the CEO statement of continued support to the UN Global Compact, a description of practical actions related with the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE Report, because we received the Global Compact email about the COE deadline in our spam box. This is the reason why we need to ask for an extension for this deadline.

in this way, we will be able to post a COE that describes our organization's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by **2020/04/30** at the latest.

Sincerely yours,

Silvia Caironi
President Director
