To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the COVID-19 pandemic the world is facing by taking all efforts within its reach to preserve the health and safety of its staff, its clients, the society in general and maintain its business operation. Such measure reaffirms SulAmérica's commitment towards prudence and responsibility as required by the current scenario.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June, 1st at the latest.

Sincerely yours,

Mr. Tomás Carmona
Head of Sustainability
