

	<b>FYNO PRECISION PTE LTD</b>	<b>EMS PROCEDURE</b>	
<b>Document No:</b> EP-0520-01	<b>Revision:</b> A	<b>Date:</b> 1 April 17	Page 1 of 1
<b>Document Title:</b> EMS Policy and Scope			

## 1. EMS POLICY AND SCOPE

### 1.1 EMS Policy

Fyno Precision Pte Ltd is **committed** to **protect the environment and environmental pollution prevention** by conservative resources use and waste reduction.

We are **committed to fulfill all our compliance obligations** and strive to monitor **and continually improve the environmental management systems** for enhanced performance.

### 1.2 EMS Scope

Fyno Precision Pte Ltd has determined the boundaries and applicability of the environmental management systems to establish its scope.

When determining the scope, the following factors have been considered:

- a) internal and external issues
- b) the compliance obligations
- c) our activities, products and services
- d) our authority and ability to exercise control and influence the environment

The scope of the EMS is:

**Precision Engineering**
