To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unforeseen epidemic conditions caused by the spread of COVID-19. These conditions force the company to switch to home office, which cause the delays in collecting, structuring and publishing the required data.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 17th July 2020, max. 90 days from COP deadline at the latest.

Sincerely yours,

Yulia Repryntseva,  
CEO O1 Properties
