

15 April 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the biennial preparation and posting of a Communication on Engagement (COE) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the unexpected shifts in workload caused by the COVID-19 crisis. We hereby ask for an extension period in order to be able to post a COE that describes CMI's efforts and progress to implement the principles of the UN Global Compact.

Our new COE report will be posted on the UN Global Compact website by 15 July 2020 at the latest.

Sincerely Yours,
