Dear Sir,

RE: COMMUNICATION ON ENGAGEMENT

I am pleased to confirm that Global Solutions and Environment Protection (GSEP) reaffirms its support to the United Nations Global Compact and its Ten Principles to the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely Yours,

J.M.Samuel

JOSEPHINE M. SAMUEL
PRESIDENT

PART 11: DESCRIPTION OF ACTIONS

The following are the actions Global Solutions and Environment (GSEP) has taken in support of the Global Compact.

- (i) Engage with Global Compact Local Networks.
- (ii) Organize learning and dialogue events, workshops and training for our members on the UN Global Compact and specific topics relevant to corporate sustainability.
- (iii) Promote the GC and its principles through one of the following activities: -
 - Deliver education on topics related to the Global Compact.
 - Disseminate the Global Compact principles.
 - Provide support to UN Global Compact business participants in their own sustainability implementation and disclosure efforts.
- (iv) Attract new participants to the UN Global Compact through their outreach efforts and awareness raising.
- (v) Organize learning and dialogue events, workshops and training for their members on the UN Global Compact and specific topics relevant to corporate sustainability by: -
 - Providing their expertise and/or the voice of their members to Global Compact working groups and special initiatives
 - Engage their members in collective action efforts on Global Compact-related issues.
- (vi) Incorporate the GC principles into internal operations and communicate progress following the COP requirements.
- (vii) Participate in Global Compact Local Networks by: -
 - Join and/or propose partnership projects.
 - Internalize the Global Compact and engage companies.
 - Join and/or support special initiatives and work streams.
 - Participate in global, regional, and local events.
- (viii) Build dialogue with companies and NGOs involved in the Global Compact.

PART III: Measurement of Outcomes

The most relevant qualitative and/or quantitative indicators to measure the outcome of the activities described in Part II above.

(i) Partnership formalized with mutual aims to advance the UN Global Compact principles

Global Solutions and Environment Protection (GSEP) goal is to form partnership with mutual aims to advance the UN Global Compact principles. This has been done successfully by partnering with organizations at both local and international level targeting: -

- Environment principles by undertaking initiatives to promote greater environmental responsibility, supporting precautionary approach to environmental challenges and encouraging the development and diffusion of environmentally friendly technologies in the area of climate change and clean cooking energy.

(ii) Expertise provided by Global Solutions and Environment Protection

Global Solutions and Environment Protection (GSEP) continues to pursue its mission of providing expertise to further the aims of Global Compact Local Network in Kenya by organizing learning and dialogue events, workshops and training for our members on the UN Global Compact and specific topics relevant to corporate sustainability and delivering education on topics related to the Global Compact through its Global Conversations Network.
