RE: SUBMISSION OF COP

Refer the heading above.

Formed in 1960, the Association of Tanzania Employers is the most representative Employers' Association in Tanzania. As a body which has the best interests of employers at its core, ATE strives to ensure that they advocate for the best interests of employers while ensuring that employers adhere to best practices which are in line with both local and international standards.

As a Board Member and a Signatory of the UN Global Compact Tanzania Network we have been actively engaged in various activities with our members to spread the Global Compact mandate, we have co-organized events, trainings, dialogues and surveys on the same as well as with the aim of ensuring members engagement in collective actions efforts in Global Compact related issues and attract new members to the Global Compact.

We are hereby attaching two reports, the **2017 Report** running from **June 2017-June 2018**, and the **2018 Report** running from June 2018 to June 2019, our 2020 Report will be out around June and we will share the same.

Yours Sincerely,
ASSOCIATION OF TANZANIA EMPLOYERS

Ms. Joyce Nangai-Ibengwe
