

27 April 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the impact the coronavirus pandemics has had on our reporting processes. Additionally, I have joined Euromonitor at the end of January 2020 as a new CSR Manager. The process of submitting the COP statements and reports is new to me and I would appreciate an extension to the deadline.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 27<sup>th</sup> July 2020 at the latest.

Sincerely yours

Eva Harput  
CSR Manager
