To our Stakeholders

Dear All,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (CoP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical corporate actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to reason that we simultaneously have prepared our Annual Sustainability Report 2019, in the Swedish language. The Sustainability Report needs to be translated into the English language prior to being disclosed together with the COP.

Therefore, we humbly ask for an extension period of one month. Our COP will be posted on the UN Global Compact website by the end of May 2020, at the latest.

Yours sincerely,

Sara Davidsson
