

COMMUNICATION ON ENGAGEMENT POLICY (COE)

The Romanian Association for International Road Transport – ARTRI

Period covered by this Communication on Engagement: 2018 and 2019

1. STATEMENT OF CONTINUED SUPPORT

13 may 2020, Bucharest

To our stakeholders:

I am pleased to confirm that ARTRI reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

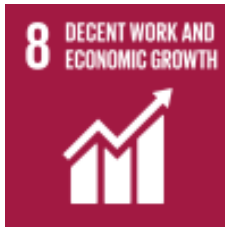

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

*Cristian SERBAN
Deputy Secretary General*

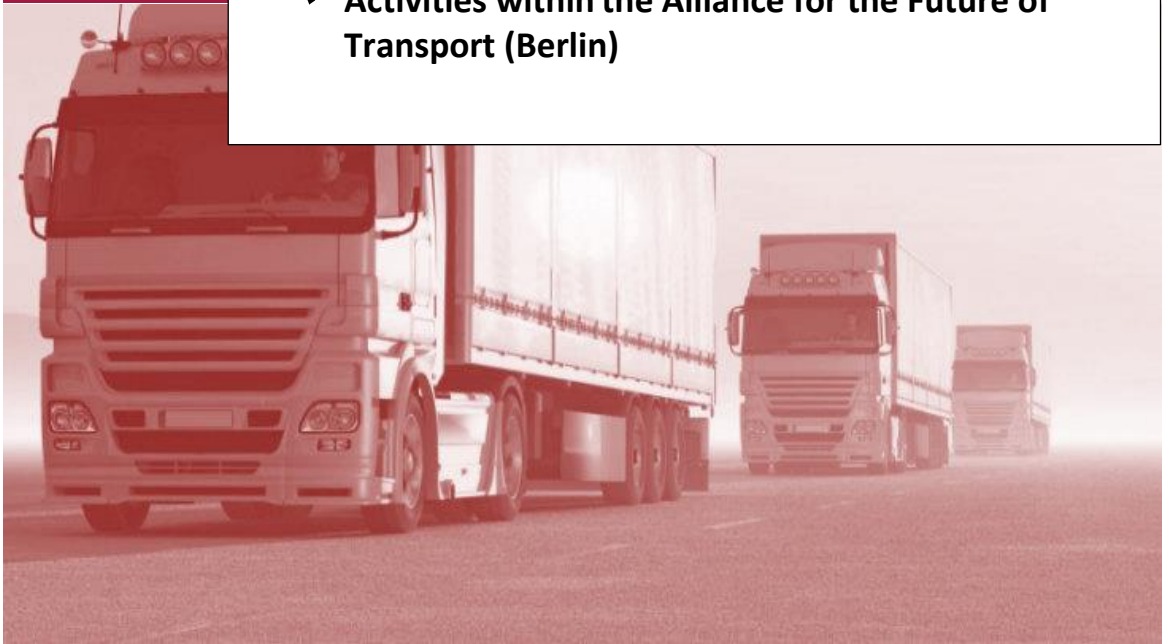

2. PRACTICAL ACTIONS AND INNOVATIVE BUSINESS DURING 2018 AND 2019

2018

- ✓ Amendments to the Mobility Package 1
- ✓ Lobbying actions for the benefit of the Romanian transport industry (Brussels, Bucharest)
- ✓ Activities within the Alliance for the Future of Transport (Berlin)

According to the principles 1 and 2

P1: *Businesses should support and respect the protection of internationally proclaimed human right*

P2: *make sure that they are not complicit in human rights abuses*

2019

Freights is developed to be an innovative freight exchange platform that combines freight forwarders with transporters to accomplish reliable freight & truck exchanges.

Freight exchange platform

Home / Platform

Practical Innovation

Freights is an innovative platform that makes a difference in the hands of each transport company. Every business in the field of international transport has now direct access to all necessary information to simplify their next routes and make their collaborations more efficient.

- Now you can easily find freights and/or vehicles according to specified criteria and never miss out on an opportunity.
- Constantly updated professional agenda with all the information that every carrier or freight forwarder needs.
- Save time and money by speeding up processes in the most valid and effective way.

According to the principles 8 and 9

P8: *undertake initiatives to promote greater environmental responsibility*

P9: *encourage the development and diffusion of environmentally friendly technologies*

2019

Transport Guarantee Fund - TGF it is mainly addressed to transport companies, aiming to develop credit products appropriate to their needs.

According to the principle 7

P7: *Businesses should support a precautionary approach to environmental challenges*

2019

- For all international litigations we have relocated the head office of the ACT to Lausanne, Switzerland
- Our arbitration awards are widely recognized internationally. They can be enforced in more than 120 states - parties to the Convention on the Recognition and Enforcement of Foreign Arbitral Awards (New York, 10 June 1958).

Arbitration Court for Transport at the World Institute for Transport - ARBITRANS

is an independent body providing a private alternative form of dispute resolution mainly – but without being limited to – in the field of transport and related activities (storage, handling, postal and courier services, customs brokerage, freight forwarding). The purpose of the International Arbitration Court for Transport at the WORLD INSTITUTE FOR TRANSPORT is to provide prompt and impartial settlement of disputes arising from the legal relationships in the field of transport and related activities and of other disputes submitted to it. ARBITRANS was created and is operating permanently in Lausanne, Switzerland, at the World Institute for Transport according to the rules, being part of the Arbitration Code on Transport and Related activities, applicable to all the disputes submitted to the court's jurisdiction in line with the arbitration agreement. The ARBITRANS Offices are attached to the organisations, associations and any other persons that prove, through their activities, commitments and actions, that they are dedicated to the purposes and objectives of the World Institute for Transport.

The principles of the arbitration procedure provided by ARBITRANS in the field of transport and related activities are:

- › The principle of autonomy;
- › The principle of the non-economic and non-profit nature of the arbitration jurisdiction activity;
- › The principle of confidentiality;
- › The principle of free access to the arbitration procedure;
- › The principle of multilingualism;
- › The fundamental principles of the civil lawsuit.

According to the principle 10

P10 *Businesses should work against corruption in all its forms, including extortion and bribery.*

2018-2020

- Partnership with the **Global Transit Organization (GTO)** to defend the rights of transport companies in relation to the truck manufacturers' cartel
- The establishment of the **World Institute of Transport** a Swiss NGO with founding members from Switzerland, the EU and other European countries, focused on offering innovative services in the field of transport and related activities

According to the principle 10

P10 *Businesses should work against corruption in all its forms, including extortion and bribery.*
