ACTION AGAINST HUNGER (UK) LTD

15 May 2020

To our stakeholders

UN Global Compact Communication on Progress (“COP”)

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a COP that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to lack of capacity as a result of the current COVID-19 crisis.

We hereby ask for an extension period in order to be able to post a COP that describes our organisation’s efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 25 July 2020 at the latest.

Sincerely yours,

Jean-Michel Grand
