

STATEMENT OF CONTINUED SUPPORT BY THE CHIEF EXECUTIVE

ASSIST DEVELOPMENT SOLUTIONS LIMITED (ADS) committed to the United Nations Global Compact (UNGC) on 6th June 2019. I am pleased to confirm that ADS reaffirm its support of the 10 Principles of the UNGC in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture, and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication.

As a provider of development consultancy services to so many prominent international businesses and organisations it is enormously beneficial for us to have clear principles to unambiguously align our sustainability agenda with so many other committed organisations. Our goal has consistently been to run a good business in the right way. Adhering to the principles gives us a clear framework for our business strategy and operational processes. We passionately believe that this makes us a better business partner, employer, and adviser to our clients.

Our participation in the UNGC program was promoted by adopting basic principles of supporting all the UN Sustainable Development Goals in the way we conduct our business. We felt that the 10 principles of the UNGC are aligned to our own principles of conduct. We are proud to share homogenous ideas with and be a part of an international development on the endeavour towards the better worldly professional ethical conducts.

UNGC Kenya network has executed many programs of their agenda which we have always put our best effort to attend and participate in the past one year.

We, ASSIST DEVELOPMENT SOLUTIONS LIMITED, are committed to persevere in embracing and implementing the 10 UNGC principles through our daily professional activities.

Yours Sincerely,
