Real Estate and Law Firm Business

It is our pleasure to introduce this Real Estate and Law Firm. We are convinced that the three basic pillars of our services i.e. professionalism, effectiveness and quick solutions for our clients are fundamental for any legal advisory firm. Dynamic development of business requires a strong legal team able to provide effective solutions, based on experience particularly legal affairs. We provide our clients with legal advice in such areas where we can prove to have essential knowledge and experience. Our aim is to propose to our clients legal support in order to let them do their own jobs and rely upon our legal advice. We propose solutions for complex situations. For that reason, we cooperate with prominent tax, business and accounting experts in Myanmar, as well as other specialists in areas that require specific knowledge and qualifications. We are capable of setting up a team of advisors who are able to act with a full sense of urgency.

KK Myanmar Real Estate and Law Firm

Our service is simply to fulfill our clients' requirements regarding Real-Estate. We have collected lots of data such as hotels, warehouses, condominiums , houses and apartments, car show rooms and offices which are well connected to the city center in the industrial and economic zones, and pieces of land for factories in different places.

If you need a home or a piece of land to buy or rent, we are willing to take you on tours "Free of Charge" to find the right property that you are looking for. Our managers and staff are well-trained to offer full service to our clients. We also have English, Chinese, and Japanese interpreters who can communicate well with clients from foreign countries. We are always eager to answer to all our clients' questions about current real-estate market.

We know that owners wish to sell their properties at a profit and without any delays. We therefore organize the meeting between the sellers and buyers at our office to negotiate. We help to negotiate between them to reach an agreement. To make the best decision on your financial investments and to avoid mistakes in "Selling and Buying" properties, our skillful and experienced lawyers make a careful check on the ownership documents of the properties to see that they are legal and they also help you throughout the buying process by arranging to draw and sign the required "Deed of Agreement". Changing the name of the owner and registering the contract at the Registration Office. We always render prompt and reliable service to all our customers. What plays an important role in Real-Estate tasks? It is "Law" as you know.

If you cannot act in conformity with the law on your sale, purchase, lease and transfer of properties, you may be faced with some undesirable consequences and you might be very upset with regret. In drawing a legal agreement or contract please note the following:

- To obtain 100 per cent legality of possession and to have peace of mind on your financial investment:- You are always welcome to consult with our legal experts. Please do not hesitate to contact us. You can see us anytime.

We take charge of:

1. Entering into sale and purchase agreement of property to be recorded at the Registration Office.
2. Making a registration for a patent on the trade mark.
3. Deed of Kitima Adoption.
4. Deed of partnership.
5. Deed of possession
6. Instruments of gift of immoveable property.
7. Special power.
8. General power.
9. Affidavits.
10. Checking if the documents of property ownership are accurate or not and are in accord with law.
11. Putting a Notice by Attorney prior to the purchase of property in the newspaper to find out if there are any objections to the contract.
12. Negotiation.
13. Law-counseling for commercial affairs.
14. Establishing a company.
15. Renewal of company license.
16. Taking a loan from bank for export and import company.
17. Contract for lease.
18. Agreement for leasing furnished house.
19. Conveyance on sale or lease of property by personal representatives for those who are staying legally in foreign countries.
20. We can help overseas investors and other foreign-guests in accordance with the “Law of Foreign Investment” for purchasing or renting properties, which will be issued soon.
