

RALPH LAUREN

June 10, 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the timing of our fiscal year and annual reporting schedule relative to COP reporting deadline of June 11, 2020. Our Fiscal Year 2020 (FY20) ended March 31, 2020 and our FY20 Global Citizenship & Sustainability Report, which serves as our COP, is scheduled to be published on June 16, 2020.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 30, 2020 at the latest.

Sincerely yours,

*Devon Leahy
Vice President, Sustainability*
