UN Global Compact

Statement of Continued Support to UN Global Compact

I am pleased to confirm that Integrated Research reaffirms its support to the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We are also committed to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

John Ruthven
