Communication on Progress 2019

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to coordination challenges and delays related to the covid-19 situation. We hereby ask for an extension period in order to be able to post a COP report that sufficiently describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 1 July 2020 at the latest.

Yours sincerely,

Kristin Parello-Plesner
Director, CSR
