Object: 30 days extension request

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. Since January 2019, we have been closely working with BPI France in order to develop our CSR approach. We are late in creating, sharing and posting our COP report due to the coronavirus crisis in the past few months.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 25th 2020 at the latest.

Sincerely yours,

Mr. Antony WEINSANTO
Deputy Managing Director
