BANCO FIE S.A./GNDRS/ CE-023/2020

REF: TO OUR STAKEHOLDERS:

Of my consideration:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to the rigid quarantine imposed in Bolivia in recent months, we have been delayed in the final presentation of our 2019 Sustainability Report, which contains our COP. Since our Sustainability Report is approved by our board of directors, we need about a month to make it public.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 31st at the latest.

Sincerely yours,

Claudia San Martín Valencia
