## GRACE PERIOD LETTER

July 22, 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to failure in our internal communication, as a junior enterprise, we have an executive board that changes annually, and the last ones that were in office haven't told us about the COP report and its importance. In addition to that, the Corona Virus crises have put us in difficult problems that got our attention priority.

We hereby ask for an extended period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 31st, 2020 at the latest.

Sincerely yours,

Felipe Martins

CEO, Mr. Felipe Martins
