Dear Sir/Madam,

RE: 90-DAYS EXTENSION TO COP DEADLINE

As we are all aware, the circumstances of the global pandemic has heavily impacted each and everyone of us and created a financial crisis for very many. I would like to write to your office to request a 90-Days extension to our COP deadline. The current deadline has been badly given the fact that we have not operated for almost six months due to the lockdown that has been keeping as a team unable to meet physically to sort out issues.

Even through, it is still uncertain we would use the next three or so months to gain our composure and get everything settled. Our clients, partners, suppliers, and especially the academic community we have been long serving have jeopardized and are no longer extending their support to our operations.

We've found out that due to the COVID-19 impacts, we're unable to beat the current stipulated COP deadline. This is an unforeseen circumstance ever in our business. We would therefore be given a grace period to complete our COPs.

We hope for a positive response from your esteemed office.

Thank You

Yours Sincerely,

.....
