7 September 2020

Dear Sir/ Madam,

In May Ashmore requested adjusting our reporting deadline to align with our corporate annual reporting cycle. To this end, we asked for our reporting deadline be changed to 8 September, when our Annual Report and Sustainability reports are published.

Our reports have been delayed and I would therefore ask that our reporting deadline be pushed back to 30 September to ensure that all is completed and uploaded.

Our sincerest apologies for this delay. Should you require any further information, please do not hesitate to contact me.

Yours faithfully,

Rupal Mistry  
Sustainability and ESG Integration
