

Warsaw, 13th September 2020

United Nations Global Compact
685 Third Avenue, FL 12
New York, YN 10017

I kindly request to extend the deadline for submitting the Communication on Progress (CoP) set for September 13, 2020. Due to the coronavirus pandemic, the contact between the company's management and employees is limited, which means that we need more time to complete the necessary documents and sign them.

Sincerely,
Aleksandra Kobrańska
