Statement of continued support

I am pleased to confirm that Georg Fischer (GF) reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment, and Anti-Corruption.

As a sign of our commitment to working on developing solutions to the existing societal issues and our belief in the power of multi-stakeholder collaboration, GF continues its membership with the Global Compact on a Participant level and actively contributes to the relevant discussions within the Swiss and European level of the UNGC organisation.

In this annual Communication on Progress, we describe – through our Sustainability Report 2019 – our continuous actions to integrate the principles of the Global Compact into our business strategy, culture, and daily operations.

We are committed to share this information with our stakeholders using our primary channels of communication.

Yours sincerely

Andreas Müller
