Dear Sir/Madam,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

AIK Energy is in creating, sharing and posting our COP report due to the impacts we have been experiencing because of the pandemic CoVid19.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 30 November, at the latest.

Best Regards  
Gabrielle Costigan on behalf of AIK Ltd Management
