## To our Stakeholders:

This year being our first as signatories of the UN Global Compact, this is also our first year reporting on our progress.

I am pleased to confirm that Hoist Finance reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using our primary channels of communication.

This report states the status of our policies and actions.

Sincerely yours,

Klaus-Anders Nysteen, CEO.
