To our stakeholders,

I am pleased to confirm that Cartamundi reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption. The Global Compact Principles:

1. Respect and protect human rights
2. Prevent violations of human rights
3. Support freedom of association at work
4. Abolish forced labor
5. Abolish child labor
6. Eliminate discrimination at work
7. Support a precautionary approach to environmental challenges
8. Promote environmental responsibility
9. Encourage environmentally friendly technologies
10. Combat corruption in all its forms, including extortion and bribery

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We are also committed to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Stefaan Merckx
