INITIATIVES TAKEN AND FURTHER ENGAGEMENT COMMITMENT BY MTC GLOBAL TRUST IN LINE WITH THE UN GLOBAL COMPACT

1. MTC Global has started a new vertical '**Global Entrepreneurs Grid**'(www.globalentrepreneursgrid.com) and encouraging social entrepreneurship. We are hosting 'Meet an Entrepreneur Program', Business Plan Competition, Innovation Competition and also helping institutes in setting up 'Business Incubator'.
2. Published an Edited Book titled '**Role of Education in Combating Climate Change**' ISBN: 978-81-945913-0-6 on 12.09.2020.
3. We bring out a Quarterly Journal '**MTC Global Journal of Management & Entrepreneurship**' ISSN: 2231-3710 to promote Startup Eco-system.
4. During this pandemic we have taken number of initiatives to promote research culture and start up activities and participated in many programs on 'Women Empowerment', Equality, Flexibility, Adaptability, Impact of Covid-19 on Education etc. Details are available: <https://www.youtube.com/user/MTCGlobalHQ>
5. Our 10th World Education Summit was held on 12.09.2020 on the subject 'Role of Education in Combating Climate Change'. YouTube: <https://www.youtube.com/watch?v=YbOSXd8pDps&t=9767s>
6. We have launched a new start-up '**Global Faculty Incubation Centre (GFInC)**' to train the faculty online during this pandemic and got tremendous response from the teaching community.
7. Joined hands with many colleges in India and overseas to create synergy in the areas of joint research, collaboration and various exchange programs.
8. Our online vocational short-term courses to skill the youth during this pandemic specially proven a great success. 100+ certification courses are available on blended learning mode at www.mtcgli.net
9. MTC Global English Language Lab is actively involved with many schools and colleges for improvement in English proficiency of the students.

10. Working in the advocacy capacity for many educational institutions and helping them in scaling up activities pro-bono.

11. We are exploring various ways and means on continuous basis to add values in education sector and committed to women empowerment, equality, skill development, research, publication, startup eco-system and specially EdTech areas to bring innovative intervention.
