To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to latest developments in relation with the COVID-19 health crisis, which is requesting our human resources and Health and Safety teams to update and develop new protocols to protect our employees. We will be glad to share the output of this actions in our Communication of Progress for 2020.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 13<sup>th</sup> November 2020 at the latest.

Sincerely yours,

Joaquim Fajula Chopo  
Administrator
