

Grupo Peñarroya

November, 9 of 2020,

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to we are preparing the 5th Group sustainability report we have not yet finalized because of the Covid-19 pandemic, so we want the information, data and measurement indicators, are also useful for the Progress Report of the UN.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by December 1 of 2020.

Sincerely yours,

Sonia Santos Rodríguez
Sustainability Management Grupo Peñarroya.
