Grace Letter

Yara Brasil 2020

São Paulo, November 24, 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and publishing our COP report due to changes in our routines and focused efforts to address and mitigate the impacts of the Covid-19 pandemic on our company and also on the communities where we operate.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by March 13, 2021 at the latest.

Sincerely yours,
