Concerning: *extention period COP*

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to long term absence and shifting tasks of our key employee SDG, alteration of procedures because of Covid-19, and restructuring the organisation. Gladly we can inform you HOEK is in the endfase of setting up 'Circular West', a collaboration of durable organisations with a scope on cooperating in circularity embracing the SDG.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 5 March 2021 at the latest.

Sincerely yours,

Mr. André Hoek
CEO/Owner
