

MEERUT CITY PUBLIC SCHOOL

Affiliated to CBSE

A Senior Secondary Co-Educational School

21st December 2020

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to **complete lockdown in our country India since March 2020 due to spread of Corona Virus**. Despite of the fact the lockdown has already ended but being an Education Institution i.e. **School we are yet not permitted to be functional and are still closed**. As the spread of corona virus is largely under control now so we are soon expecting us to be operational.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **15th March 2020** at the latest.

Request you to kindly grant the extended deadline request.

Sincerely yours,

Rahul Kesarvani
