

# Reporting adjustment cycle

Dear UN Global Compact

2020 will be the first year for GreenMobility as a member of the UN Global Compact and our first time preparing a Communication on Progress, which we are truly excited about.

However, to best utilize our resources to prepare the Communication on Progress and align synergies, it would be natural to align it with our Annual Report and our Sustainability Report, which we as a public listed company has planned to publicize end of March.

Therefore, we kindly request to change our submission date from: **16th of January 2021 to 31st of March 2021.**

*Kind regards*
