

COMMITMENT ON PROGRESS

ATLAS METAL PRODUCTS MFG CO INC hereby reaffirms its support of the Principles of the United Nation Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations.

In are of HUMAN RIGHTS, we continue to adhere to basic principles of human rights and have received no complaints from any employee or government body in this regard. We reiterate no underage or child labor is used anywhere in our facilities.

In the area of LABOR, all labor laws are strictly complied with and adhered to and we received no complaints from any employee or government body.

In the area of ENVIRONMENT, we continue to practice full compliance with all government and regulatory agencies concerning environment laws. We have received no complaints from any community groups or government body. We have also started to practice SUSTAINABLE PROCUREMENT specifically in procurement of ROHS complaint raw materials. As of end of last year, we have already achieved 100% ROHS compliance on our main raw material (plastic resin pellets).

In the area of ANTI-CORRUPTION, our company continues to comply with our business ethics of NO CORRUPTION POLICY. We have received no complaints from any company, organization, or government body in this regard.

Respectfully
