To our stakeholders:

We recognize that a key requirement to participate in the UN Global Compact is the annual preparation and issuance of a Communication on Progress (COP) Report that comprises of a CEO statement for continued support to the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Unfortunately, the sustainability project initiated within our Company is delayed amid the pandemic; hence, we are unable to finalize our COP report by the deadline. We aim to complete and publish the report in the first half of 2021.

We hereby ask for an extension period in order to be able to issue a COP Report that describes our company's efforts and progress in implementing the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 19 April at the latest.

Sincerely yours,

Ümit Önal

CEO
