To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to issues related to the COVID19 pandemic. There was a reduction in staff at the entity, as well as a reduction in hours with the person previously responsible being dismissed during this process. With the entry of 2021, the project was now relocated and will be carried out again observing all expectations and deadlines.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 11/04/2021 at the latest.

Sincerely yours,
