To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are still in the midst of creating, sharing and posting our COP report and it will be available shortly.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. We will submit a COP updates to the UN Global Compact website by 14 April 2021 at the latest.

Sincerely yours,
