We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the collection of all indicators in term.

*We hereby ask for an extensión period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. **Our new COP report Will be posted on the UN Global Compact website by 23/04/2021 at the latest.***

Sincerely yours,
