

# Practical ACTION

21<sup>st</sup> January 2021

## To Our Stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to changes in our internal organisational reporting cycles which enable us to collate the key data necessary to complete our COE report.

We hereby ask for an extension period in order to be able to post a COE that describes our organisation's efforts and progress to implement the principles of the UN Global Compact.

Our COE report will be posted on the UN Global Compact website by 30<sup>th</sup> April 2021 at the latest.

Sincerely yours,

**Paul Smith Lomas**  
CEO Practical Action
