**To our stakeholders**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have a delay in creating, sharing and posting our COE report due to extensive workload caused by coronavirus outbreak. The majority of university resources were focused on tackling the extraordinary situation. Among others, there have been plenty of actions carried out by AGH, University of Science and Technology during that time, which also could be reflected in the Report.

Therefore, we hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 8.05.2021 at the latest.
