

February, 1st, 2021.

Dear UN Global Compact's stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the collective vacation of a month gave for our employees in January. We remind that their hard work during 2020 made our organization be awarded as the best Brazilian NGO of the year in the sportive category. Our organization is completely back to work today, and by now we are giving priority to the preparation of our COP, that should be presented in the next two months.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 1st, at the latest.

Sincerely yours,

Mr. Alceu de Campos Natal Neto

President
