

## **Communication on Progress-UN Global Compact**

30 January, 2021

To our stakeholders,

I am pleased to confirm that Pandinavia AG reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In 2020 and for the upcoming year 2021, we focus on the implementation of new, self developed products with a sustainable, circular approach.

In this annual communication on progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our stakeholders using primary channels of communication.

Sincerely yours,
