03th February 2021

To whom it may concern,

I'm writing this letter on behalf of X5 Retail Group.

In December 2019 we developed and implemented our ESG Strategy and we are surely working on to make our progress in sustainability.

Last march (2020) we became members of UN Global Compact initiative.

As member of UN Global Compact initiative, we have to submit our SDP report (about the progress we made) in the beginning of March.

At the moment we are working on our first ESG report which will correspond to all GRI requirements. Unfortunately, we will be able to finish our report only in end of May (by 27th of May).

Therefore, we would like to ask if it would be possible to apply for an extension for our SDP report till end of May. Would it be possible?

With best regards,
