

Al Younbouh Grace Letter Request

February 10, 2021

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the many challenges we faced this year. As a rehabilitation center for children and adults with mental disabilities and special needs, we were unable to pursue our usual projects and initiatives during 2020 due to the outbreak of the pandemic but also the other factors affecting all organizations in the country, such as economic collapse and the Beirut explosion on August 4th.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 14, 2021 (90 days from COP deadline) at the latest.

We hope you can understand our situation and thank you in advance!

Sincerely yours,

Mrs. Nicole Naame
Director of Al Younbouh
