To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are writing to inform you that we will not be able to meet the deadline for submission (February 17th) of our progress communication report (COP). This is due to the fact that we need more time to collect all the data for the 2020 report.

It is therefore, requested to kindly extend our submission date to March 17th to allow us to issue an accurate report.

Sincerely yours,
