

São Paulo, February 4th, 2021

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COE report due to discrepancy on timelines. We joined the UN Global Compact in March and our report will be finished in May.

We hereby ask for an extension period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact.

Our COE will be posted on the UN Global Compact website by May 31st, 2021 at the latest.

Sincerely yours,

Marilene Iamauti, Ph.D.
